Thank you for your leadership, dedication & commitment to community

Scarborough is amazing!

Our community is home to hundreds of thousands of amazing people, from every corner of the world, who do many amazing things. We work hard year after year and support our families, our neighbours, our community and sometimes even the world!

Today, we are all taking a moment to acknowledge nine special individuals who have made outstanding contributions to Scarborough; and we're acknowledging two young Rising Stars who have already distinguished themselves as leaders, leaders who will help our community shine.

To our 2026 Inductees, I want to congratulate you on being unanimously selected to receive a star on the Scarborough Walk of Fame. You are one of a very small group of people who have been honored for bringing pride to Scarborough and for making outstanding contributions in your chosen field of expertise, fields such as: Arts & Culture, Business, Community, Education, Environment, Entertainment, Health & Science, and Sports.

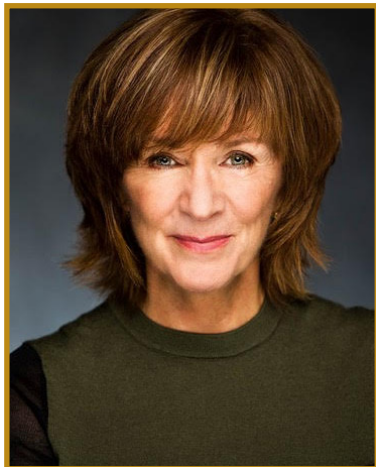

By creating and maintaining a permanent place of honor at Scarborough Town Centre, we hope local residents and visitors alike will be inspired by you and your fellow Stars.

COMMUNITY

Geetha Moorthy

Geetha Moorthy is a community leader, social entrepreneur, and founder of the SAAAC Autism Centre and its social enterprise, The Goodness Gift. After arriving in Canada as a refugee from Sri Lanka in 1983, she settled in Tuxedo Court, Scarborough where she rebuilt her life with resilience and purpose. Trained in finance, Geetha worked as an accountant by day while teaching Indian classical dance in the evenings, using the arts as a bridge for cultural expression and community connection.

Through her dance school, she organized annual fundraising performances in support of hospitals and autism organizations. Over time, she noticed a striking absence: South Asian families were not accessing the very services her shows supported. That observation sparked a mission rooted in equity and inclusion.

In 2008, Geetha launched SAAAC from her home, beginning with adapted dance classes for children with autism. Today, it is a nationally recognized organization supporting over 1,000 families annually across three sites in Scarborough. Its programs include diagnostic services, clinical therapy, caregiver mental health supports, and employment training.

Geetha's work has earned national recognition, including the RBC Canadian Women Entrepreneur Award and a 2024 Top 25 Women of Influence nod cementing her as a changemaker advancing culturally responsive autism care.

Cathy & John Phillips

Cathy and John Phillips, married for over 50 years, first met at Trinity College, U of T. John worked 20 years as a corporate lawyer at Blakes while Cathy raised our three kids, then worked as a psychologist supporting cancer patients at Princess Margaret Hospital and Wellspring.

In 1994, John jumped to a wireless startup Clearnet with offices at Consilium near STC. Clearnet was acquired by Telus in 2000. Since then, John has been an active angel investor, supporting Canadian enterprise and technology in over 65 Canadian startups. A big win in Shopify catapulted us to unanticipated wealth, and we resolved to use it to benefit people in underserved communities across Canada through our Northpine Foundation. Scarborough became a prime focus point.

They fell in love with Scarborough when one of our sons moved here and we followed suit. Awed by the sheer beauty of the natural spaces, we took full advantage walking with family through the many parks along the Waterfront Trail, Bluffers Park, and longer hikes on the Doris McCarthy and Highland Creek Trails. We marveled too at the vibrant multi-cultural communities and the opportunities and challenges posed by such cultural and socioeconomic diversity.

In the last five years, Northpine has committed over \$ 30 million to programs, services and institutions in Scarborough that are helping people to develop and thrive. Highlights include a new Diagnostic Imaging Department and improved Emergency services at SHN; initiatives to reduce food insecurity and increase employment; helping SAAAC support more than 150 clients with autism in receiving training and employment; and rolling out multiple cradle to career investments in education in our most vulnerable neighborhoods. We are only just beginning!!!!

Whether you're looking to host an intimate gathering or a grand celebration, we've got you covered inside and out.

Congratulations to all the 2026 inductees. We are proud to celebrate the success of our Scarborough community.

CELEBRATING THE VERY BEST OF SCARBOROUGH

There is so much to love about Scarborough. Our natural environment. Beautiful neighbourhoods. A vibrant arts community. Inspiring newcomers. Prestigious anchor institutions, including University of Toronto Scarborough, Centennial College, Scarborough Health Network, and the Toronto Zoo. A cultural mosaic that spans the globe. And especially our people: entrepreneurial, artistic, accomplished and, yes, famous!

That's why the Scarborough Community Renewal Organization is proud to bring you the Scarborough Walk of Fame. Founded in 2016, SCRO is an all-volunteer organization of passionate Scarborough leaders who strive to "connect, promote and renew Scarborough; to install a sense of community pride, move beyond tiresome stereotypes, and bring public policy attention to Scarborough's needs.

Scarborough has many talented residents, whose accomplishments should be celebrated. So, when SCRO was offered the opportunity to take over the management of the Scarborough Walk of Fame in 2021, we knew this was such a good fit. SWOF aligns so well with the mission and vision of SCRO and with the passion we all feel for Scarborough.

SCRO is honoured to sustain the heritage of this signature Scarborough program.

To our inductees ... congratulations! We are so proud of you. Many of you have done important work to enhance the quality of life in Scarborough, as a place to live, work, learn, play, and raise a family. And some of you have become ambassadors for Scarborough beyond our borders. Your accomplishments are now recognized in the Walk of Fame Court at Scarborough Town Centre.

We are also honoured to celebrate our "Rising Stars"; our young leaders of today and Scarborough's leaders of tomorrow.

To our partners ... thank you for your generous support, which has enabled us to present such a classy celebration, as befits the occasion.

And to Scarborough Town Centre and Oxford Properties ... thank you. STC has been associated with SWOF from the very beginning, back in 2006, as a host, sponsor, and leader. We are grateful for the deep partnership that SWOF has enjoyed with STC over so many years.
